My dear Governa

This will be
handd you by M^r John A Launcy
of this city. He has been for
years a neighbor of mine - is
a young ^{gentleman} of good character
& morals - He served in the
second regiment - & as I
understand from others, is
exceedingly well acquainted
with the drill of the army
& would make a good officer.
I hope it will be in your power
to give him a commission as I
think he will discharge its duties
to the satisfaction of his superiors & the

public

With high regard I am
Yours very truly
John Appleton
