My dear Sir Pardon me for troubling
you so often. Why would not Capt Fop.
of the 2nd make a good Secy. Col^l.
in McClusky's Regt? I think he
must be entirely competent. I want
to file some hard letters from Stricklands
Regt. at Fort Royal about their affairs
now I had to say from a
reliable source says they are
drunk half the time & S. makes a
poor officer. This honor is entre vous
Yours truly
