

Turner April 13. 1863

Gov Colburn,

Mr Walker
of Turner of whom I spoke
to you, leaves for Washington
at the instance of the friends
of private Benj. W. Johnson
of the 16th Maine Reg Co E
who is now sick in Hospital
at Washington and who has been
sick nearly all the time since
the Reg left Maine, with little
prospect of ever being able to do
duty in the Reg.

I wish to learn the address of Dr
Wiggin who has lately gone to the
Potomac to look after the sick soldiers
of the Maine Regts. so that Mr
Walker can communicate with
him when he gets there.

Yours with much respect

Salmon Chase
