

Battery Cameron Co.
March 26 1864

To
His Excellency
Governor of Maine

Sir:-

I have the honor to
Recommend to Your Excellency's notice
for promotion to a Lieutenantcy in
one of the New Regiments. Serg^t Edward
B. Kelly of Co K, 1st Maine Heavy Art.

Serg^t Kelly enlisted in my old
Company (K) as a private, and was
promoted to a "Corporal" in Dec/62 (and
to a Sergeant in Dec/63.

As a private Corporal (and Sergeant-
he has shown himself competent-
for the duties which these positions
imposed. I have no doubt that

he will perform with equal fidelity
- should he be honored with such an
position - the duties of a Commissioned
Officer.

I trust - Your Excellency will be
able to give him an appointment
in one of the New Regiments

I am
Very Resp
Your Obed Servant
