

Portland Aug. 23 1862
Adjutant General Hodson
Dear Sir.

Packet of papers for regimental files is received; those requiring completion are now properly prepared and will be sent today with other papers; I have tried to be careful with regard to enlistments but am not surprised that some should be found imperfect but hope the copying will prove right.

The enlistments of Geo. H. Page and Samuel H. Gregory are not in my possession; the residence of Samuel Craig Jr. is Sebec.

I cannot send today the names of those whose papers list Perry Lee with Pi but will do so Monday.

I see some papers to day; will have the rest coming ready by Monday; though I suppose straggles will be coming for several days yet.

Yours obedt. servt.

John W. Moore

Quartermaster 20th Regt.
