**1861-12-18 George Washburn requests information regarding promotion of son Cyrus**

George W. Washburn

Danvers Dec 18 1860  
To Genl Washburn  
Gov of State of Maine

Dear Sir  
Mr Chad &  
Dole and other friends of my son propose  
having him come here and get up a company  
for the 2<sup>d</sup> Regiment provided you would  
commission him as Captain. A W Roberts  
father of the Col proposes the same and would  
be in favour. Please also by return mail your  
views upon the subject.

Respectfully Yours

Geo W Washburn
