

Hampden March 11th 1861

General Hodsdon;

Dear Sir:

Franklin B. Chase
a member of the Cavalry
Regiment, started for his
home in Monroe on furlough,
being sick, last Tues. or Wed,
(March 4th or 5th) He
arrived at my house,
a public house on Thurs.
the 6th, in a helpless
condition, being very sick,
since then he has been
wavering between life &
death, unable to be moved
and requiring constant
care and attention, I
wish to know if I
can recover my bill

of the Gov, for taking care
of him, and such
particulars as you may
be able to furnish.

Please answer
immediately & oblige

Yours Respectfully
George A. Deland
