Hon Isaac Washburn
Gov State of Maine

Dear Sir.

Warren W. Austin of
this town, a Private in Co C. Fourth Maine Regt.
is very desirous of being Commissioned 2 Lieut
of one of the Companies in one of the New Regts -
The Officers of his Company & Regt and also
Gen Titcomb will give him strong recommen-
dations for the appointment - he has now
been fourteen months in service - and
has a good reputation. If under these circumstan-
ces you could or would give him the Commis-
sion desired it would confer a great favor on his
family & friends here. I write this to see
if there is any incouragement for him
to make the effort.

Respectfully Yours
