MINUTES
CUMBERLAND TOWN COUNCIL
Town Council chambers – 290 Tuttle Road
Monday, September 27, 2004

CALL TO ORDER – 7:05 PM

Attendance: Councilors Storey, Damon, Kuntz, and Moriarty
Excused: Councilor Savasuk
Late: Chairman Stiles

Vice-Chairman Storey called the meeting to order at 7:05 pm

I. APPROVAL OF MINUTES:
   a) September 13, 2004
      Motion by Councilor Porter to approve the minutes as presented.
      Seconded by Councilor Moriarty.
      Discussion: Councilor Moriarty asked to change the minutes as follows:
      Page 3 Paragraph 2 Item 04-118: The second sentence reading “Councilor Moriarty explained that the system has to be designed and stamped “… The sentence should begin with “Chief Small explained that the system has to be designed and stamped”…”
      VOTE: 4 In Favor 1 Abstain: Kuntz

II. MANAGER’S REPORT
   a). Meeting with MSAD 51 to discussing upcoming Tax Cap vote and planning of informational meetings between North Yarmouth – MSAD 51- Cumberland. Chairman Stiles and Manager Shane met with MSAD on September 22, 2004 to discuss informational meeting with North Yarmouth to be televised sometime in October.
   b). Survey work on Route 100 to begin in October for improvements to intersection of Route 100 and Blackstrap Road.
   c). Manager Shane met with Public Works Director Adam Ogden and Public Works employees from Chebeague Island to discuss Stone Wharf Floats; floats will be kept in the water for as long as possible. Some of the older floats already taken out of water will be auctioned off.
   d). Sewer allocation units are only available for failed septic systems and built up areas. There are no sewer units available for new construction except on Route 1.
   e). Request from A.H. Grover to begin construction on Main Street during hours of 6:00 pm to 6:00 am. Construction will take approximately four days. Work will begin in three weeks.
   f). Portland Water District to sell lot on Main Street near Moss Side Cemetery. Manager
Shane requested that PWD table this item until PWD Trustees Eileen Wyatt and Bill Lunt could meet with abutters to this lot. Lot appraised at $72,000.

g). A citizen’s group opposed to the November Palesky Tax Cap will be going out across the State this weekend to inform people of the effect if the tax cap passes.

h). Sally Stockwell, Chairman of the Lands and Conservation Commission, has organized a meeting with a forester from the Maine Audubon Society on October 18, 2004 to talk about forest management practices.

III. PUBLIC DISCUSSION

The public portion of the meeting was opened at 7:17 pm.
There was no discussion.

IV. LEGISLATION & POLICY

04-126. To set a date to consider and act on a Public Grounds Ordinance.

Manager Shane explained that Councilor Damon brought this item forward. A draft of the proposed ordinance was available in the Council packets. A meeting date of October 25, 2004 was recommended.

Councilor Damon stated that she thought the ordinance seemed to be a town wide ordinance. It didn’t specifically state whether it applied to certain lands.

Manager Shane stated that the ordinance was intended to be general without an exception by the Town Council, so the Council could say “except for”... All town facilities would be closed at sunset and opened at sunrise. The Council could form a subcommittee to tweak the ordinance and add some more specific language.

Councilor Damon suggested having a committee meeting on Chebeague to discuss how the proposed ordinance would affect property on Chebeague. She suggested that the Island Committee review the proposed amendment. The impetus for this item was the use of land at Chandler’s Cove. Residents of Chebeague voiced concerns about the state of the property at Chandler’s Cove; parts of the property should be reseeded to grow back, issue of underage drinking at night, mud races. The Police felt they had no jurisdiction because there are no rules.

Councilor Moriarty stated that the property could be posted by resolution of the Town Council and proposed that the ordinance should be review by the Island Committee.

Councilor Porter moved to set a date of October 25, 2004 to consider and act on a Public Grounds Ordinance.
Seconded by Councilor Kuntz.
Discussion: Mr. Shane stated that with the Island Committee assistance a Management Policy could be developed.
Councilor Kuntz rescinded his second on the motion on this item.

Councilor Damon moved that the Town Council request the Islands Committee assist in the development of a Management Plan for Chandler’s Cove and Sunset Landing and to gather input and feedback on a potential ordinance to regulate the use of that property. The Town Council would like to have a report back by January 2005.

Discussion:
Councilor Moriarty stated that the ordinance, when it is finally presented and ready for action, should apply to all parts of the town.

Motion seconded by Councilor Moriarty. VOTE: UNANIMOUS (5)

04-127. To set a date to consider and act on an ordinance amendment to permit the daytime use of golf carts on Chebeague Island.

Manager Shane suggested that input should be received from the Islands Committee. The Police Chief has asked for an ordinance to allow daytime usage of golf carts on Chebeague Island. The law requires an ordinance to be in place to allow use of golf carts.

Councilor Kuntz moved to send this item to the Island Committee, and to have a report back in January 2005.

Seconded by Councilor Moriarty. VOTE: UNANIMOUS (5)

Chairman Stiles attended the meeting at 7:40 pm.

04-128. To set a date to consider and act on the Rines Forest Committee guidelines.

Robert Waterhouse, Chairman of the Rines Forest Advisory Committee, presented a power point presentation of the progress of the Committee. Several photos of the property were presented. The Committee developed a Mission Statement and Stewardship Principles. Future Board policies to be developed for Council approval include:

- Forest Use Policy
- Forest Management Plan
- Protection of the property through a third party easement

Mr. Waterhouse stated that a site walk of the property is scheduled for October 17, 2004 at 9:00 am.
Councilor Porter moved to set a date of October 11, 2004 to consider and act on the Rines Forest Committee guidelines.

Seconded by Councilor Moriarty. VOTE: UNANIMOUS (6)
04-129. To hear a report and set a date to consider and act on an alcohol use policy for Val Halla Golf & Recreation Center.

Richard Doane, Vice Chairman of the Val Halla Board of Trustees, stated that with the changes that the Legislature brought about in August, that there is going to be a shift in most of the competing golf courses in the area which will allow some kind of on-course alcohol sales. The motivation in bringing this policy forward is more about creating an environment where Val Halla can compete more effectively for tournaments, which is a significant source of income in the summer. There will be a cart on the course that will offer alcohol and non-alcoholic beverages on the golf course.

Councilor Moriarty suggested a meeting with the Val Halla Board of Trustees in a workshop session before the second Council meeting in October.

Councilor Porter stated that the golf course has not done well financially. He sees no reason to put Val Halla in a situation where it cannot make a profit. Not allowing alcohol on the course ties the hands and making it that much less competitive.

Mr. Doane stated that the cash flow is mostly in for the season.

Councilor Porter suggested obtaining information from other area courses.

The Town Council decided to table this item and instruct the Town Manager and Council Chairman to set a workshop date to meet with the Val Halla Board of Trustees.

04-130. To consider and act on a request for financial assistance by the Cumberland Historical Society.

Manager Shane stated that the Cumberland Historical Society has some structural damage to the flooring and floor support system. An engineering study was done and the contracted price for the repairs is about $5,000. The Historical Society is asking for any financial help that the Town could provide.

Councilor Damon stated that the Historical Society has missed a deadline to apply for the Rines Thompson Grant.

Councilor Kuntz inquired as to how severe the structural damage is?

Manager Shane stated that the structural damage needs to be addressed.

Councilor Storey suggested tabling this item until after the November 2, 2004 Election.

Councilor Damon reminded the Council that the Town gave Chebeague Island a Building which was in much worse condition and they were required to raise funds in order that the building could be in usable condition. The Town could possibly
loan the Historical Society some funds or match whatever funds could be raised.

Councillor Porter moved to approve a donation of $2,500 for financial assistance to the Cumberland Historical Society.

Seconded by Councillor Damon with an amendment that there is a caveat that it is a matching grant if the Historical Society can raise $2,500.

VOTE: IN FAVOR: 1 (Porter) OPPOSED: 5

Discussion:
Chairman Stiles stated that he felt that this item should be tabled until after the November 2, 2004 Election.

Councillor Damon moved to table this item until after the November 2, 2004 Election and until Councillor Moriarty has time to meet with the Cumberland Historical Society to obtain answers to questions by the Town Council.

Seconded by Chairman Stiles. VOTE: IN FAVOR: 5 OPPOSED: 1 (Porter)

V. NEW BUSINESS:

Chairman Stiles: NONE

Councillor Damon:
- E-mail from Town Manager concerning Boston Post Cane. Bertha Gray of Chebeague Island is 98 and living in her own home.
- Urge the Town Council to write Governor Baldacci and request a Constitutional amendment that would address the definition of fair market value as it relates to the method used for determining property values in Maine.

Councillor Kuntz: NONE

Councillor Moriarty:
- More names for the Winter Road Maintenance Committee.
- Letter from Town Attorney Kenneth Cole on use of fire ponds as fire protection method in subdivisions.

Councillor Porter:
- Comments from resident John Lambert regarding on Fowler side of Twin Brook. A Road is being created to pass from the Tuttle Road to Greely Road; it should be for Emergency vehicle use only. The Council should consider installing a gate.

Acting Chairman Storey:
- Charge for parking at Twin Brook.
- Inquiry on update on Mill Road.

Manager Shane:
- Pike Industries has been delayed for two weeks on finishing Mill Road.
- Council support installing gate on Fowler property temporarily?

Councillor Moriarty moved to authorize the Town Manager to install a temporary gate.
On the Fowler side of Twin Brook property at the end of the parking lot but prior to the Bridge.

Seconded by Councilor Kuntz.
Discussion:
Councilor Stiles suggested installing a Knox Box Key for the Fire & Rescue vehicles.

VOTE: UNANIMOUS (6)

Manager Shane cont’d:
- Main Street construction from 6:00 pm to 6:00 am.

Councilor Damon inquired if the nighttime for construction hours could be from 6:30 pm to 6:30 am.

Councilor Moriarty stated that he was opposed to the nighttime construction and questioned why the construction had not been done during the summer as previously scheduled.

Manager Shane stated that the contractor could not get to the Maine Street part of the project sooner, as he had been concentrating on the site work for the Middle School project.

Councilor Porter asked for the reason why the contractor requested to work during night Time hours? What if the request is not granted?

Manager Shane stated that the contractor would have to work during daytime hours. If the Project is not completed by November 1, 2004 the contractor would be fined by MDOT.

Councilor Porter moved to adjourn to Executive Session at 8:40 pm.
Councilor Kuntz seconded. VOTE: UNANIMOUS (6)

Councilor Moriarty moved to come out of Executive Session at 9:10 pm.
Seconded by Councilor Kuntz. VOTE: UNANIMOUS (6)

Councilor Kuntz moved to adjourn from the workshop at 10:05 pm.
Seconded by Councilor Damon. VOTE: UNAMIMOUS (6)

Respectfully Submitted,

Deborah Flanigan

Manager Item- New Business

This company would like to sell Banners to Businesses in Town. The Banners are attractive, but I don’t see this being well received by many businesses in Town- $450 per year for their logo on the bottom 33% of the sign.

In exchange, we receive a free Streamer Video with municipal updates, programs, etc which can be linked to our website.

It’s not a bad idea, but it’s a huge distraction with everything we have on the front burner right now.

I’ll pursue this if you wish to go forward. You must have Road Runner or a high speed internet connection to view this video or it will take forever to download.
Participating Communities
Municipalities

Mayors.TV, powered by eLocalLink, has become the premier provider of streaming web video to towns small and large across the nation.

We provide an end-to-end video solution for municipalities, from writing movie scripts to filming, editing and streaming the video using our patent-pending One-Click™ video technology. And we do it all at an unbeatable price... free!

Use this drop down menu below to view a sample of just a few of the many municipalities we are working with across the country:

Loves Park

Please take a moment to read this letter we received from the City of Yonkers. Don’t forget to check out some of the video testimonials from community leaders we’ve worked with in our testimonials section.

For more examples or information, please contact us.

Community Movie with Banners Agreement

Name: William Shane
Title: Town Manager
Address: 290 Tuttle Road
City, State, Zip: Cumberland, ME 04021
Phone: 207-829-5559
Fax: 207-829-2224
Email: wshane@cumberlandmaine.com
Website: www.cumberlandmaine.com

This agreement is between CGI Communications, Inc. and the Town of Cumberland, ME and shall remain in effect for a period of three years.

e-LocalLink, a division of CGI Communications, Inc. shall provide the following:
- Website Welcome video from your mayor or other civic leader (approx. 1 minute)
- 3 Community Highlight videos (approx. 1 minute each)
- Come to your location to film your videos
- Consult with you to write your scripts
- Professional voice-overs, script writing and background music. Video and editing, all aspects of post-production from raw footage to final video
- Store and stream all videos on our dedicated server and will link finished videos to your municipality's website homepage
- Encode final video into multiple streaming digital formats to play on all computer systems, browsers and internet connection speeds, including both Windows Media and QuickTime™
- To include patent pending "one click" technology
- Final draft of all content of the Community Highlight Videos for your approval
- Marketing, production, printing, and distribution are the sole responsibility of e-LocalLink
- The Town of Cumberland will assume no cost or liability for the project
- e-LocalLink will own copyrights of the master Community Highlight Videos
- Ongoing, monthly updates to your streaming video library from video provided to us by your organization (5 minute maximum per month)

Community Banner Services, a division of CGI Communications, Inc. shall provide the following:
- Full color custom graphic vinyl banners
- A minimum of 25 free banners; business sponsors included on lower portion
- Bracket system comprised of cast aluminum brackets, fiberglass rods, and all necessary hardware
- Design and size customized to meet your Community's specifications (standard size 30” x 60”)
- 3 year program, renewable by parties prior to completion of third year
- New banner design for each 12 month period; reference to your Community's website optional
- New business sponsors for each 12 month period; lower portion, to be consistent with banners' color scheme
- Business sponsorship allowed on lower 25% of banner
- Community Banner Services, a division of CGI Communications, Inc. is solely responsible for obtaining business sponsorships
- Sponsorship fees from $4500 per banner per 12 month period
- Free replacement of torn, worn, and/or damaged banners
- Installation and maintenance of all banners
- Removal of all Banners and bracket systems upon expiration of agreement

The Town of Cumberland, ME shall provide the following:
- A letter of introduction for the program on your organization's letterhead
- Assist with the content and script for the Community Movie
- Agrees to give e-LocalLink the right to use organization's name in connection with the preparation and production of the program set forth herein only
- Agrees to put a link on the municipality's website homepage to e-LocalLink's video server
- Provides e-LocalLink with exclusive streaming video rights for the term of this agreement
- Identification and obtainment of the preferred pole sites to ensure proper banner placement
- Monitor and report torn, worn, and/or damaged banners each 12 month period

We, the undersigned, understand the above information and have full authority to sign this agreement.

Contract void if not accepted by 10-05-04.
September 29, 2004

Dear Town of Cumberland Business Owner:

As you know, the Town of Cumberland is dedicated to making our community a great place to live, work, shop and conduct business. We have agreed to participate in a 3 year promotional campaign conducted by CGI Communications, Inc., which we believe will help highlight the advantages of living in and doing business in the Town of Cumberland.

The two-fold program consists of an interactive motion picture showcasing Cumberland’s efforts and the community’s assets on our already existing web site. The second stage of the program provides for street banners, designed exclusively for our community, indicating our town’s website address (www.cumberlandmaine.com), and also showing Cumberland’s economic vitality, and the support of our business community.

A representative of CGI Communications, Inc. will be contacting you to discuss the street banner program. We encourage you to consider supporting this program, which we feel is truly a win-win for all involved.

Sincerely,

William Shane
Town Manager
MOTIONS

Subject: Ken Cole & Bill Healey- October 11th Council Meeting

Dear Councilors:

Bill Stiles has asked me to schedule Ken Cole and Bill Healey to be present at our next Council meeting. Ken is unavailable for our Sept 28th meeting but has been scheduled for our October 11th. I would suggest we begin the meeting at 7:00 PM with Ken & Bill H.

Ken will give a brief overview of the bill and discuss and answer all questions the Council may have. Bill Stiles has asked this meeting to be televised to better inform the public of the Tax Caps consequences.

Bill Healey will be present to answer property related questions as they relate to the Tax Cap. Bill H. has no formal presentation planned.

We would also be looking to televise and informational meeting involving the MSAD, North Yarmouth and Cumberland the Week of October 25th.

Thank you,

Bill

William R. Shane, P.E.
Town Manager

Town of Cumberland
Tax Cap
Informational Questions and Answers

What is the Palesky Tax Cap Proposal?
It is a statewide referendum question on the November 2 ballot that, if approved by voters, will:
1. Proposes to roll back property assessments to 1996 levels
2. Limit property taxes to 1 percent or $10 per $1,000 of the assessed value.
3. Limit property assessment increases to 2 percent per year

What does this mean for Cumberland?
If the Palesky proposal passes:
- Town services will sustain major cuts
- New and increased user fees will be implemented for Town services
- Property taxes will be reduced

How is the Town & School structure different in Cumberland (MSAD 51), than in Falmouth, Freeport or Yarmouth?
In those towns, the town council can accept or reject the school budget. However, Cumberland Town Council in our community has no involvement with the School’s annual budget process; it can neither accept nor reject the school’s budget. Once the budget has been approved by the registered voters of MSAD 51, an assessment is calculated and the bill is forwarded to both Cumberland and North Yarmouth.

What changes in municipal services might we see?
There is no way to know exactly what will change until actual cuts are determined, but it is anticipated that many services will be severely reduced:
- Reduction in the number of Town employees
- Significant reduction in police coverage
- Reduction in road maintenance, paving and major road repairs
- Reduction in winter maintenance (snow plowing and sanding) efforts
- Reduction in fire department services
- Elimination of the Regional Paramedic Program
- Reduction in Town Hall hours
- Reduction in Library hours
What is the Town of Cumberland's Total Budget?

Total Operating Budget
$19,892,354

Where does the money come from for the Town Budget?

Total Revenues
$19,892,354

The numbers used on all Tax Bills
- School 76%
- County 4%
- Town 20%
How much revenue is currently raised in Cumberland through property taxes?

During the Fiscal Year (FY) 2004/2005, Cumberland will raise $16,208,642 in property taxes to fund the Town’s operating budget and Cumberland’s portion of MSAD 51’s operating budget.

The Town’s total budget for FY 04/05 is $19,892,354. The Town’s operating budget is $7,328,241. From the total operating budget, the sum of $3,683,712 is received in the form of state revenue sharing, excise taxes, registration fees, and other non-property tax sources. The remaining $3,644,529 of the Town’s operating budget is funded through Cumberland property taxes.

MSAD 51’s operating budget for FY 04/05 is $22,470,000. Of this total, the sum of $10,125,288 is received in the form of state aid for education, North Yarmouth’s annual contribution and other smaller educational revenue sources. The remaining $12,343,712 is funded through Cumberland property taxes.

In summary, the current FY, Cumberland will raise $12,343,712 through property taxes to pay its portion of the MSAD 51 budget, and in addition will raise $3,644,529 from property taxes to fund the Town’s operating budget for a combined total of $16,208,642.

How much money would have to be cut from the town budget?

If the referendum passes, the Town of Cumberland may need to cut $7.6 million from its budget. This does not account for any additional State funding for towns, since the Legislature has not taken any action or steps to mitigate the impact of the upcoming vote. However, if assessed values are rolled back to 1996-97 levels, the proposal’s fiscal impact is actually an $8.7 million loss.

After extensive review of the data and the Maine Supreme Court advisory opinion that the provision in the bill to roll back taxes to the 1996 level would violate the Maine Constitution, the Maine Municipal Association has determined the $7.6 million figure to be realistic.
What kind of user fees might we see in Cumberland?

- Trash bag costs for curbside disposal $2.75 per 33 gallon bag- The average household of 4 may use 2 bags/week = $5.50 x 52 = $286/year
- Twin Brook : $5 per visit (or a Season Pass fee)
- Building permits: 50% increase (presently the lowest in the area)
- Increased plumbing and electrical permit fees
- Increased subdivision and site plan review fees
- Recreation program fees increases
- Rescue fee increases
- Library user fees
- New user fees for fire department services

Will any of the user fees be deductible from my income tax?

No. Your property tax is a deductible item, but fees are not.

Can Cumberland vote this proposal down or override it in some way?

No. It is a statewide referendum. Even if the referendum is defeated in Cumberland, it will apply to Cumberland if it receives statewide approval. There is no local override provision in the proposal, unlike tax caps in some other states.

Where can I get more information?

A complete copy of the Palesky proposal, additional articles, and information in support and against the Tax Cap can be found at the following websites:

http://www.memun.org/resources/Public/news/pp/question.htm

http://citizensunitedformaine.com/

http://news.mainetoday.com/indepth/taxreform/

http://www.taxcapyes.org/
What property tax savings might a home in Cumberland receive?

If the referendum passes, the tax savings for each home will vary. Examples of savings:

<table>
<thead>
<tr>
<th>If your property is Assessed at</th>
<th>Present Tax</th>
<th>Palesky Tax</th>
<th>Savings</th>
</tr>
</thead>
<tbody>
<tr>
<td>$50,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$100,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$150,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$200,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$250,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$300,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$350,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$400,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$450,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$500,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$550,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$600,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
<tr>
<td>$650,000</td>
<td>$19.20</td>
<td>$10.00</td>
<td>$9.20</td>
</tr>
</tbody>
</table>

Savings may not be realized if all properties were assessed at 100% of Equalized Value. Currently, the Cumberland Assessor estimates that properties are assessed at an average of 76% of Equalized Value.

The average cost of a home in Cumberland is $250,000. That average home’s property taxes of $4,800 are allocated as follows:

<table>
<thead>
<tr>
<th>Municipal Services</th>
<th>Summary</th>
</tr>
</thead>
<tbody>
<tr>
<td>Police:</td>
<td>$ 815</td>
</tr>
<tr>
<td>Recreation:</td>
<td>Town Services</td>
</tr>
<tr>
<td>Fire:</td>
<td>$ 145</td>
</tr>
<tr>
<td>Parks:</td>
<td>Town Debt</td>
</tr>
<tr>
<td>Rescue:</td>
<td>$ 193</td>
</tr>
<tr>
<td>Public Works:</td>
<td>County Tax</td>
</tr>
<tr>
<td>Trash &amp; Recycling:</td>
<td>$ 3,648 Schools</td>
</tr>
<tr>
<td>Library</td>
<td>$ 4,800 Total Tax Bill 250K Home</td>
</tr>
<tr>
<td>Remaining Services</td>
<td></td>
</tr>
<tr>
<td></td>
<td>$ 815</td>
</tr>
</tbody>
</table>

If this home’s property taxes were reduced to $2,500 as shown in the table above, severe reductions would result across the board.

Closing Comments

Thank you for taking the time to read this document. This vote will have a continued effect on communities throughout our state regardless of the outcome on November 2, 2004. The Town Council encourages your comments and concerns. Please write, e-mail or participate in the televised meeting on October 15, 2004 at 7:00 PM at the Cumberland Town Hall.
October 18, 2004

Nadeen Daniels, Town Clerk
Town of Cumberland
290 Tuttle Road
Cumberland, ME 04021

Dear Nadeen:

I have your e-mail of Friday afternoon, October 15th, in regard to Donna Damon's question of the hypothetical impact of the Palesky Tax Cap on two condominiums, one purchased in 2004 and the other in 1995. Apparently she has called MMA and they have told her they would be valued differently. If Donna checks with Bill Healey, he would tell you that as long as they are identical condominiums, they, in fact, would be valued the same. Since they are hypothetically located in the same project and of the same type, and unless they are different in age and therefore entitled to a discount for obsolescence, they would technically be of like value. The attempt of the Palesky tax cap was to allow the value of the 1995 purchase to be maintained and therefore keep the taxes for that individual owner considerably less than the 2004 purchaser's taxes. However, the Supreme Court clearly stated in its advisory opinion that they must be treated equitably for purposes of valuation. Based on that and, again, the facts of the hypothetical, they therefore would have to be treated as having the same assessed value for purposes of the individual owner's tax bill, although they might differ in value for purposes of arriving at the Town's entire assessed value for purposes of the 10% cap.

If there is anything further that you need from me, please let me know.

Very truly yours,

Kenneth M. Cole III

KMC/ab

~ Over 50 Years of Service ~
Nadeen...Mike gave me your message on Monday because I spoke to the fellow last week. I gave you a call on Monday but I didn't hear back so I thought the question had been answered. The fellow explained to me his situation with the 2003 condo purchase and he asked if his property would be assessed the same under Palesky as the neighboring, identical condo which had not been sold since 1996. Before answering, I explained the obvious unconstitutionality of the valuation roll-back and freeze language in Palesky, and he said he understood that, but specifically wanted to know the answer if the entire measure was implemented as written. I told him that as written, the answer was obvious: i.e., his condo would be assessed at the 2003 purchase price and the next door condo, in the same ownership since 1996, would be assessed at its 1996 value. It was his belief that Ken Cole gave a different answer even under the as written analysis. I told him that we differed with Ken with respect to a number of Palesky interpretations, but this analysis seemed perfectly straightforward. The Palesky initiative creates a "welcome stranger" assessing method whereby identical property is assessed at different values depending on the length of ownership. Although "welcome stranger" assessing clearly violates Maine's constitution, it is nonetheless very clearly the assessing methodology the initiative attempts to institute in Maine.

Bottom line, the fellow seemed to be very cognizant of the differences between the "as written" versus the "likely" Palesky analysis, and specifically wanted to confirm his understanding of the "as written" approach.

I hope this helps.

Thanks for your return phone call. As I stated in my voice message, I had a gentleman call who purchased a condominium last year. He said he contacted MMA and asked them what his taxes would like compared to others who owned a condo in his complex. In other words, they're for all intents and purposes the same condos, except he purchased his in 2003 and his neighbor purchased his in 1995. Would he pay the same taxes as his neighbor, and would he be assessed the same as his neighbor under the Palesky proposal? He says he got a different answer than what Ken Cole has said to the town. Can you help me with this? Thanks very much,
Hi Bill and Nadeen. Phil Gleason just called. They will not be ready for the Sept. 27\textsuperscript{th} Council meeting for the road acceptance. They hope to be ready for either the first or second meeting in October. They will keep us posted.

Subject: RE: Jordan Farms Road Acceptance

I haven't seen any documentation. There are issues with what has been built and final inspection, record drawings, defects in products, etc. No final paving yet. No final inspection. No certification re title, survey.

Normally there is a title opinion and the lawyers provide documents for review etc.

Do you mean is the Owner all set? I haven't seen anything from PWD re the water lines, hydrants (one hydrant is not square to the road). CMP re the power. NET re the phone. There ae issues with side slopes, culvert failure, guard rails, and miscellaneous issues that the owner needs to complete. Has the Planning Director/Code Enforcement Officer looked at site plan and subdivision compliance and other conditions of approval? MDEP and ACOE conditions? any othe conditions?

I don't think they are ready to offer the road. It would have to be conditional which is not allowed.

Adam

The Cumberland Town Council holds that the Rines Forest property is a unique tract of land that shall remain forever in its undeveloped forested state. To this end, it is the collective responsibility of the community to protect the Forest's natural beauty, wildlife and varied ecosystems. Citizens and friends are encouraged to passively recreate within the property's boundaries while conserving its natural environment.

**Rines Forest Stewardship Principles**

1. The Town Council endorses the maintenance of the Forest to assure its present undeveloped forested state and will provide the human and fiscal resources necessary to do so.

2. A Forest Management Plan will be adopted and updated.

3. Within the scope of the management plan, areas determined to be environmentally sensitive and vulnerable shall receive specific attention.

4. A citizen based Advisory Committee shall report to the Town Council and provide an Annual Report which outlines the progress made toward maintaining the Rines Forest Stewardship Principles.

5. A network of trails including a new access from Range Road shall be maintained and improved.

6. Future acquisition for connectivity is encouraged and future planning shall be coordinated with the Town Lands and Conservation Commission.

7. Citizens are encouraged to passively recreate within the boundaries of the forest.

8. Educational use of the property for individuals or organizations shall be encouraged.

9. A list of acceptable uses of the Forest will be created and incorporated into a "Use Policy".

10. An informational brochure outlining the property's environmental attributes, a map of trails and other related issues of interest will be published and maintained.

**Future Board Policies to be Developed**

- Forrest Use Policy
- Forest Management Plan
- Protection of the property through a third party easement
Rines Forest
Mission Statement

The Cumberland Town Council holds that the Rines Forest property is a unique tract of land that shall remain forever in its undeveloped forested state. To this end, it is the collective responsibility of the community to protect the Forest's natural beauty, wildlife and varied ecosystems. Citizens and friends are encouraged to passively recreate within the property's boundaries while conserving its natural environment.
Rines Forest
Stewardship Principles

1. The Town Council endorses the maintenance of the Forest to assure its present undeveloped forested state and will provide the human and fiscal resources necessary to do so.

Discussion Points From Sept. 27, 2004 Meeting

a. The Committee will actively pursue volunteers to assist with trail maintenance and the bulk of the work in the Forest.

b. A 25 or 50 year easement is not unreasonable, but the Committee believes the property will become a more valuable resource as other surrounding properties are developed.
2. A Forest Management Plan will be adopted and updated.

3. Within the scope of the management plan, areas determined to be environmentally sensitive and vulnerable shall receive specific attention.
Rines Forest
Stewardship Principles Cont.

4. A citizen based Advisory Committee shall report to the Town Council and provide an Annual Report which outlines the progress made toward maintaining the Rines Forest Stewardship Principles.

5. A network of trails including a new access from Range Road shall be maintained and improved.

6. Future acquisition for connectivity is encouraged and future planning shall be coordinated with the Town Lands and Conservation Commission.
Rines Forest
Stewardship Principles Cont.

7. Citizens are encouraged to passively recreate within the boundaries of the forest.

8. Educational use of the property for individuals or organizations shall be encouraged.

9. A list of acceptable uses of the Forest will be created and incorporated into a “Use Policy”.

10. An informational brochure outlining the property’s environmental attributes, a map of trails and other related issues of interest will be published and maintained.
Future Board Policies to be Developed for Council approval

- Forest Use Policy
- Forest Management Plan
- Protection of the property through a third party easement
Historical Society Request for Funding
September 27, 2004
To: William Shane, Town Manager

and the members of the Cumberland Town Council

From: Carolyn Small, President, Cumberland Historical Society

Re: Assistance

Dear Mr. Shane and members of the Cumberland Town Council,

The Cumberland Historical Society requests some financial help from the Town of Cumberland because of three challenges that have demanded our attention this past year. This first and most drastic is the floor of the 1853 schoolhouse building that the Society occupies. The underpinning has rotted and the floor is in danger of collapsing. Mr. Shane has received a copy of the engineering report that was sent in August. We have contacted Clayton Copp of Copp Movers, and he can repair the damage for about $5,000.00.

Our second issue is the installation of a security system to protect the valuable Cumberland history that we have custody of in the building. The contract from Protection One is $1650.00, and a $30.00 per month fee after installation. What a shame it would be to have something dreadful occur to the 183 years of the story of this town, merely because the building wasn’t secure.

Our final concern is the sign in front of the building. It is of wooden construction and has sorely felt the passage of time. It has rotted. I am awaiting a quote from Graphics on Middle Road. We would like to be able to replace the sign before it becomes a hazard. That is the very least of the three matters.

Realizing that this is probably not the best time to ask for some financial help, I nonetheless, do so, in hopes that you can locate some funds to help your Historical Society. Any amount would be greatly appreciated.

Thank you for your consideration on this matter.

Yours very sincerely,

Carolyn F. Small, President, Cumberland Historical Society

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
KNOW ALL MEN BY THESE PRESENTS, THAT TOWN OF CUMBERLAND, a
municipal corporation organized and existing under the laws of
the State of Maine, in consideration of one dollar and other
valuable consideration paid by CUMBERLAND HISTORICAL SOCIETY, a
Maine non-profit corporation, whose mailing address
is: BLANCHARD ROAD, CUMBERLAND, ME 04021 the
receipt whereof is hereby acknowledged, does hereby give,
grant, bargain, sell and convey unto the said CUMBERLAND
HISTORICAL SOCIETY, its successors and assigns forever,

A certain lot or parcel of land with building thereon
situated on the southwesterly side of Blanchard Road in the
Town of Cumberland, County of Cumberland and State of Maine
being bounded and described as follows:

Beginning at a reinforcing rod on the apparent southwesterly
sideline of Blanchard Road, said rod being on a course
of S 27° 23' E and a distance of 20.23 feet from an iron at
the most northerly corner of a parcel of land owned by W.
Rand Surgi and recorded in Cumberland County Registry of
Deeds in Book 4245, Page 113;

Thence S 27° 23' E, along the apparent southwesterly
sideline of Blanchard Road, a distance of 82.06 feet to a
reinforcing rod;

Thence S 60° 23' W through land of the Grantor a distance
of 153.80 feet to a reinforcing rod;

Thence N 29° 37' W, continuing through land of the Grantor,
a distance of 82.00 feet to a reinforcing rod and land of
Surgi;

Thence N 60° 23' E, along land of Surgi, a distance of
157.00 feet to a reinforcing rod on the apparent south-
westerly sideline of Blanchard Road and the point of
beginning, containing 12,742 sq. ft.
Reserving from the above described parcel a 25-foot wide right of way to the Grantor being bounded and described as follows:

Beginning at a reinforcing rod on the apparent southwesterly sideline of Blanchard Road at the most northerly corner of the above described parcel;

Thence S 27° 23' E along the apparent southwesterly sideline of Blanchard Road, a distance of 25.02 feet to a point;

Thence S 60° 23' W a distance of 156.02 feet to a point;

Thence N 29° 37' W a distance of 25 feet to a reinforcing rod and land of Surgi;

Thence N 60° 23' E, along land of Surgi, a distance of 157.00 feet to a reinforcing rod on the apparent southwesterly sideline of Blanchard Road and the point of beginning.

Excepting and reserving herefrom a certain septic sewer pipe easement, Central Maine Power Company easement of record and driveway right of way granted by deed of even date to Cumberland Hall Associates, and additionally conveying an easement for repair and maintenance of said sewer pipe and leach field as located on said Cumberland Hall Associates parcel.

These premises shall revert to the Grantor herein if said Grantee is ever suspended as a valid and existing Maine non-profit corporation. The Grantor further reserves to itself the right to repurchase the within premises for One Dollar ($1.00) should Grantee ever determine to sell the same.

The above described parcels being a portion of the premises as conveyed from Beza Blanchard to School District No. 3 (now Town of Cumberland) by deed dated June 1, 1853 and recorded in said Registry in Book 251, Page 126, and a portion of the premises conveyed to the Grantor by Theodore J. Brown by deed dated March 5, 1927 and recorded in said Registry in Book 1261, Page 129.

The above described courses are magnetic of the year 1988.

TO HAVE AND TO HOLD, the aforegranted and bargained premises with all the privileges and appurtenances thereof to
the said CUMBERLAND HISTORICAL SOCIETY, its successors and assigns, to it and its use and behoof forever.

AND it does COVENANT with the said Grantee, its successors and assigns, that it is lawfully seized in fee of the premises, that they are free of all encumbrances, that it has good right to sell and convey the same to the said Grantee to hold as aforesaid; and that it and its successors shall and will warrant and defend the same to the said Grantee, its successors and assigns forever, against the lawful claims and demands of all persons.

IN WITNESS WHEREOF, the said TOWN OF CUMBERLAND as Grantor has hereunto set its hand and seal this 14th day of the month of APRIL, 1988.

SIGNED, SEALED and DELIVERED in presence of:

William H. Dale

By: R. B. Bennett
    Its Town Manager

STATE OF MAINE
CUMBERLAND, SS

Then personally appeared the above named Robert B. Bennett of the Town of Cumberland, and acknowledged the foregoing instrument to be his free act and deed and the free act and deed of the said Town of Cumberland.

Cumberland, ME 04021

Dear Bill:

This letter is intended to respond to your request in regard to whether there was any way the current Council could bind future Councils in regard to the development of the Rines parcel. Specifically, as you correctly surmised, one Council's action cannot directly bind another and the only way to impose a restriction that a subsequent Council could not release is to grant a conservation easement to a third party. That third party would still be able to be persuaded to release such a restriction at a late date but a subsequent Council could not unilaterally release it. Since Cumberland has the Cumberland Island and Mainland Trust, it is possible that such a conservation easement could be given to that local entity or it certainly could be given to a third party. The relevant statute in this regard is at 33 M.R.S.A. § 476 et seq. which recognizes the creation and enforceability of this type of easement. If the Council did not wish to go quite that far, its only other option would be to record a set of restrictions in regard to the use of the Rines property in the Registry of Deeds. Subsequent Councils could change those but it would require a formal amendment and therefore a public hearing process rather than simply unilateral action.

Please let me know if you wish me to follow up further in this regard.

Very truly yours,

Kenneth M. Cole III

Re: Greely Road Parcel

Dear Bill:

I have reviewed the letter dated October 5, 2004 from Marilyn D. Hodgman in regard to the parcel the Town proposes to donate on Greely Road extension to Habitat for Humanity. Ms. Hodgman indicates her belief that the property was lost in the 1950’s by her grandfather, either just prior or after his death. As you know we did title research on these parcels and were able to conclude that Tax Map R60, Lot 40, the larger piece was actually conveyed to the Town by Charles E. West on March 7, 1938 in Book 1539, Page 245. The smaller parcel adjoining it, which is Map R8, Lot 9, was in fact acquired by the Town for nonpayment of taxes. However, this occurred in 1935 by a tax deed recorded in Book 1569, Page 179 against a Mary Stevens Morse. The Town continued from 1935 until 1948 to assess the property to Ms. Morse and there are tax deeds of record for each year. Apparently in 1948 the Town finally decided that given the continued nonpayment it would simply accept that the title was now vested in the Town and it has not been assessed to any other party since then. I am unaware as to whether Ms. Hodgman’s grandfather was a relative of Mary S. Morse. However, he is not the individual who lost this property for nonpayment of taxes.

As to the overall issue even if Ms. Morse’s grandfather had lost the property, the general statute specifically provides that no one may challenge a municipal tax taking unless that challenge is raised within 15 years of the ripening of the tax lien. See 35 M.R.S.A. § 946-A. Since this property was first tax acquired in 1935, the statute of limitations has long expired. I hope this answers any questions the Council may have in regard to this property.

If you have any questions, please let know.

Very truly yours,

~ Over 50 Years of Service ~
Dear Sir,

I learned recently that the town intended to donate parcels of land on Truly Road Extension to Habitat.

My grandfather had some land on Truly Road Extension that was acquired by the town for non-payment of taxes.

He passed away in 1953 sometime after that my father had at least two meetings with the then, town manager. At the first meeting he said that he couldn't find a record of the property. In a subsequent meeting he had located the property but wouldn't let him pay the back taxes as the town wanted the land for public use as a park or playground, etc.

The article in the paper complained of the loss of tax revenue for years
but that was to make sure.

I have been advised to contact the town to find out how you can give a clear title under the circumstances. Please reply by mail.

Sincerely,

Marilyn E. Hedgmon

Twin Brook Advisory Committee

Agenda for Thursday, October 4th 2004

1. **Set fee for Athletic Field Use**
   a. Refer to 3 ring binder for base fee structure
   b. Should the fields be “rented” to less than 50% resident participants, i.e. premiere soccer/lacrosse?
   c. Should “teams” be limited to the number of hours of use, if so what is the magic number.
   d. What is the purpose of the fee, to defray cost of maintenance or limit use?
   e. Major/minor event (tourney’s) fee structure? Set standard or base to operate from. Review on individual basis.

2. **Prioritize items for agendas for monthly meetings.**
   a. List issues, concerns, that need committee discussion and action, prioritize in order for future meetings.

3. **Forestry Management meeting. 7:00 PM on October 18, 2004 – Cumberland Town Hall**
   a. Develop time frame plan for Twin Brook.

4. **Next Meeting Date**
Hi Deb,

Bill asks that the board/committee agenda and minutes be placed in a separate envelope in the council packets from now on. Here are some envelopes to stick in their books. I’ve given you the agendas/minutes here to copy for this packet.

Thanks!
