Boston, Sept. 23rd, 1862

Gor Bachurn,

Dear Sir,

I am on my way to join the 2d Regt. Called to see you in Augusta in relation to my transportation, but found you were particularly engaged. Col. Elliot informed me that I was entitled to it, I decided to call on the quartermaster in Boston to furnish it. I find on seeing him that I must have a writing from you ordering me to join my regiment.
dating back to the 21st of Sept. I can then draw transportation, my actual expenses to Washington. Will you please forward, as soon as convenient, such an order as you deem proper, to Dr. Chas. E. in Boston, care of Wm. H. Ladee, 70 State St., Boston, who will forward to me at Washington.

I oblige

Respectfully yours,

A. P. Monroe
