General John L. Hodson —

Dear Sir —

Yours of 9th inst.
 is but just received. I would
 thank you most sincerely for proving
 to charge date of my commission: the
 date of the other commissions is Aug.
 9th and I can conceive of no
 reason why mine should not bear
 corresponding date. and if it would
 be right I would like to have date
 previous to that in order to secure
 some compensation for performance
 of duties as mustering officer (which
 office I never would have accepted
 had I not presumed that I was to
 receive compensation therefor) If
 you do so antecedate it I will leave
 it to yourself to determine what date it

it ought to bear. I will be satisfied
with whatever you decide upon, but
I certainly think I am entitled to
something though I am not aware
whether other mustering officers receive
any additional remuneration or not.
I herewith send my commisi
on meanwhile remain

Yours Obedt, Servt,

William Wronnell
