

Waterville Sept 30 1864

Dear

You sent orders to me by J P Hill to call out the "A" Company to elect a Capt to fill the vacancy occasioned by the resignation of Capt Bangs.

I don't believe Capt Bangs has resigned, but if he has & you want an election please send me some printed blanks to warn the members of the Company with.

If we have an election who is to preside?

Please let me hear from you by so nights' mail

Truly yours

E. L. Webb
