Bro. John L.

Can you inform me without too much trouble upon what town's quota Lewis M. Thompson, resident of Broner, was counted, who enlisted in Co "B" 1<sup>st</sup> M. A. Artillery, July 17 1863? His father thinks it was Broner or Oldtown, but being simply a descendant of that imperial race whose eyes saw God in the clouds & whose souls proud science never taught stray - (Celtic fathers) He is not so well posted in the matter as those intelligent contractors who have furnished so much valuable information to the leaders of our armies -

nevertheless, if you can inform  
me in this respect, I will  
be much obliged -  
& you may have the satis-  
faction of believing that  
the end means we will  
also be your old friend -

Most Respectfully  
D. Searles

P.S. Has there a N.S.  
Hospital at Cayuga? Feb. 15, 1864  
where the sick soldiers were  
taken? I want to get a certificate  
of the death of a relative who died  
there.

P. S. Was there a U.S. Hospital at Augusta Feb. 15, 1864 where the sick soldiers were treated? I want to get a certificate of the death of a soldier who died there.
