Governor Washon Dear Sir

I wish you to do me one more
Favour and that is to assist
me in getting an appointment
to the Regular Army
And if you will take the
trouble to write to Senator
Marrell and ask him to assist me
you will do me a great kindness
For which I may at some
future day be able to repay you
I think with your assistance
And Senator Marrells I could
get the appointment

Yours &c

Lieut J. W. Adams
