Sir,

I called on you last week with a letter from Gen Berry recommending me for promotion, as you are aware. I would ask of justice to myself and friends a commission as Capt in Company C 4th Marine, as you know I was a prisoner in the hands of the rebels thirteen months, long months of suffering and many if I had been free I should have been in the line of promotion and should not have been Capt a long time ago at the time that Capt Smith resigned. I hope you will consider me in this case, and let me know at the earliest moment.

Your obedient,

Sent.

To Hon. Grant, Washington, M. W. Clark
