Cattine March 17/62

To
Hon. Gen. M. Morrill
U. S. Senator
Washington D. C.

This may certify that Alonzo
K. Mirick has been a member of
my company from the time our
Regiment left the State and I can
cheerfully recommend him as being
a young man of good morals,
strictly temperate, intelligent and
worthy the confidence of his friends
who are in a position to aid
him in obtaining a situation
different from the one he now
occupies.

Although now acting as private,
with the drill and observation

ing Military that he has had
during the Past Eleven Months
I think him competent to ^{perform} ~~fill~~
the ^{duties} ~~position~~ of a higher Situation -
I Remain

Very Resp^{ly}

Your Obedt. Servt.
