

Ans'd

Camp Franklin, Alexandria
Va. Dec. 9, 1861.

Gen. Hodgeson.

Dear Sir:

Yours
of the 4, inst. regarding a
descriptive list of my
company, is before me.

I notice that you want
a list of all the members
that have belonged to
the Co. since Apr. 25.

At the Battle of Bull Run,
the descriptive book was
lost, and the then Capt.
did not have on other
filled out; and there being
several discharges, and
discharges from that time
up to Aug. 13, and no

recd of them kept.
it is impossible for me
to make out a list which
shall be nearly correct.

By the aid, however, of the
original existing papers, I
can make a complete list.
You will, therefore, please
send it to me, and I will
attend to yours as promptly.

Respectfully yours,
A. S. Daggett, Captain
6th Vermont Company.

P.S. Since Aug. 15, the date
of my commission, I
can give you a perfect
list of the members of my
company.
A. S. D.
