Governor

Since writing you this morn
I have received official notice of D. M.
Patterson's resignation. I think I made
a mistake in writing Lt Stevens
name it being J. C. instead of J. L.
We are anticipating a good fight
in this direction troops are pouring
in every hour Capt Luella Bailey
I see is near us and have charge
of the Pontoon Bridge which is quite
a novelty to look at & I understand
and the boys are noted for handling
ing or laying them.

Very truly Yours
J. H. Allen
