Dear Sir Being confident  
that I can well fill the place as  
Surgeon, I ask for promotion whenever  
there is a vacancy in any Maine Regt.  
I send you a recommendation from  
Dr Burr, Brigade Surgeon, also Prof of Surgery  
at the Geneva Medical College. and one from  
Dr Palmer. I am ready to go before any  
board for examination that you may suggest.  
For further information inquire of H Mc Gomer  
If you see fit to promote me, I will try to  
pursue that course that no one will regret it  
I hope you will kindly consider me whenever  
a vacancy may occur

Yours with great Respt
