To Whom it May Concern:

The bearer of this Major William L. Potter of the 4th North Carolina is deserving of obtaining a position on the staff of some general officer.

I have known Major Potter since his connection with the Regulars. He served under me for several months, and I take great pleasure in recommending him as an accomplished officer and gentleman. It would most cheerfully recommend him to the favorable consideration of any one to whom this may be addressed.

The major has already come distinction from a name by his heroic deeds of which his state is justly proud.

Respectfully yours,

Major W. L. Potter
