

Gov Washburn,

Sir,

At the
request of the friends of
James H. Stanwood of this
place, I forward a recommen-
-dation - Many names could
be had but I told them it was
not necessary -

Perhaps it may
not be improper for me to say
that there is no political
feeling in Mr Stanwood's case,
He is, and always has been
a Republican,

Dec 15th 1862 Very respectfully
Wm H. Flood
