

Front Royal Va

June 11. 1862

Governor

There is much complaint coming from our friends at home that they cannot get their money when it has been allotted by those in our Regts. Men and Officers are much dissatisfied and want to drop the rolls. If there is any neglect on the part of those who disburse said funds I hope it may be promptly attended to.

My convictions are that the fault is caused by delay of paymasters or officials at Washington in remitting the funds.

Hon J. Washburn Jr

Augusta
