Captcy for son in R.A.

Livermore Jan 5th 63
Gov. Washburn
Dear Sir

I write you
at this time to ask one more
favor. Hoping some time I may
be able to repay it. Charles L.
my son is very anxious for an
appointment of Captaincy or
Lieutenancy in the Regular
Army. You are well acquainted
with his Military ability & standing
and such a letter to the Secretary
of War, as you may think him
deserving, will be very greatly
revived. Please mail to me

I am very truly Yours
Lee Strickland
