Dear Sir

I received a letter last evening directed to W. S. Brown Capt. Co. E. 20th Me. & being in command of the Regt take the liberty to reply. — The quota of the town of Waldoboro was enlisted by orderly Sergeants Brown & Wm & A. M. Eggley prior to my being recommended for a captaincy. — I had no understanding or agreement with the Gov. that I was to raise, or pay the expense of raising any portion of my company. —
