Joseph W Chamberlain

Co. A.

Second Regt
Maine Vols

On detached service with
Sicut. Stickley - Recruiting.

Bangor June 24 1862

To His Excellency J Washburn
Governor of Maine

Dear Sir

Above you have
the address and phyography of Joseph W
Chamberlain of this city. Mr Chamberlain
is a young man of capacity, ability and
patriotism. about 24 years of age, and
was one of the first persons in this city
who volunteered for the defence of our
country. - He left a situation, which
was paying him two dollars per day

and has been in every battle and
skirmish in which his regiment has been
engaged from Bull Run, to the present
time - This young gentleman and his
brother who went with him, and who died
in the service, have been exemplary as
gentlemen and soldiers, and as a reward
for such fidelity the many friends of
Mr Chamberlain in this city are desirous
that he should be suitably noticed.

He desires to be detached from
his present duties, and placed in
some suitable position in the 16th
Regiment. I am of the opinion
that a Lieutenantcy might be given
to him in the full belief that he
would discharge all the duties of the
position with honor to himself and
credit to the state and nation.

I am very respectfully
your obedt servt

W. D. Pinckney
