

Camp of 16th Me Regt
Mitchells Station Va
March 26 (64)

Hon. Gov. Cony

Thinking it may

not be out of place to address
you at this time I do so and
upon the merits of Maj. S. Dill
who visited us several times
within the past year. His
efforts to make the sick & newly
comfortated exceeded all
others I have ever had ac-
quaintance with in the Army
we furnished them with many
choice supplies looked after their
Bounties, State aid, allotments
and all those matters which
in many cases our sick are
troubled about thereby relieving
their anxieties by the prompt

and efficient man in
which he attended to all such
matters entrusted to his care
give to him a preference over all
others yet sent into the army
on like missions of charity &c.
Instead of doing as most of our
visitors do riding about
from Camp to Camp & visiting
places of pleasure with officers
Mr Dill visits the inmates of
the Hospital, aiding the sick -
learning the conditions of
our men, and all the time
at work, as though he had
much to do, & many persons
have received help in some
way from his influence
& kindness, which will ever be
gratefully remembered by
them. In behalf of my own
Regt & those of others of my ac-
quaintance we can cheerfully

I respectfully say to you that
we think you cannot sent us
better than to return him to
look after the interests of the
needy here. Should you
in your judgement see fit
to send us a friend of
us - that has no pride
himself a friend indeed

Very Respectfully,
Yours C. B. Deane
