The applicant must submit a copy of this application to the Municipal or County officials.

UTILITY NAME: _____

DATE: _____

TOWN: _____

MDOT PIN #: _____

The purpose of this "Sketch Plan" is to show the location of the proposed facility in relation to the highway. This plan is not necessarily drawn to scale, however, all reference points, offset distances and lengths must be accurately indicated. Multiple utility pole installations associated with MDOT projects may indicate the first and last pole in relation to the reference point described on the first sheet (including the project stations) and then reference an attached pole list for all those in between.
