August 26 1864
Camp Willard at Fort Carson
First Maine Heavy Artillery

Dear

As I had been heard
three months wandering
through the side and
had been saying in
the hospital ever since
I had had not received
because my Description list
has not arrived and as I
stand in need of the money
I would be much obliged
to you if you would
send for it for me

Your obedient servant
Camp Willard at Fort Carson
Camp 26

Wm A. Fenelon
