

Mon. July 10/82

Dr. Hill,

Dear Sir, Will
you be kind enough to
inform me when the
Mediced Board for exam-
ination of Army Surgeons
next meets - Also if
there are many applicants
of late?

I think of applying for
the post of Surgeon in
one of our Regiments
if there is not too great
a rush of applicants.

I can bring references
from Dr. N. R. Boutelle,
Waterville, I. A. Foster
Prof Surgery in Portland

school of Med. and from
all Physicians about me
as well as from all the
leading men in Waldo Co.
if they are required -

If you wish nothing of
that kind I shall not
pursue them.

If you will take the
trouble to inform me
upon the above points
you will confer a favor
upon

Yours truly

J. J. Main M.D.
