

Camp Kamey July 28th 1862

I take pleasure in certifying
to the good character and con-
duct of Corporal. Chas. H. Selden
of my company, which have been
during all the trials of a hard
campaign most creditable.

With his native intelligence
quickened by education, and
with his drill and experience
as a soldier, I have no hes-
itation in giving it as my opin-
ion, that he is qualified for
any position as Company officer.
