Brewer July 24/1862

Geo Washburn

Dear Sir

I was in conversation with Hope
Dole a day or two since and
he thought the time had come
when the way was open to you
that you might give my son
Cyrus A Washburn of Company
C 2^d Maine Regiment a Commission
in some Regiment; you have
the letters before you that you
received last Spring in regard
to the matter, it would confer
a great favor upon his friends
and your Humble Servant
Geo W Washburn
