Sir

I have considered it a duty as well as a pleasure to certify to you the high regard which I entertain for your former pupil Apt Surg W. A. Reynolds since his connection with this regiment he has been unremitting in his attentions to the sick and wounded, and has displayed an energy of character, steadiness of purpose and knowledge of his profession, which has endeared him to his brother officers and all with whom he has been connected I consider his knowledge of his profession superior to many who now hold a higher rank in the Army

With much respect
I am Sir
