Hon A. Coburn
Gov of Maine
Dear Sir.

Alden Miller Jr.

of Company I. this regiment, is a brave and efficient soldier, and is a man of excellent character, he would like a Lieutenant's Commission in a colored regiment, if any such should be officered from our State. I feel confident he would make an excellent officer - his farther resides in Warren and is a supporter of the present Administration

I am Very Respectfully
Your Aft Servant
