20th Regt. Me. Vols -

To Hon. Abner Coburn

Gov. of State of Maine

Dear Sir -

I cheerfully recommend to your favorable consideration - Lieut. Hiram Morse of Co. I. 20th Regt. Me. Vols. as a person worthy of a commission - I have known him since the organization of the regiment, and ever found him - faithful and trusty - and a brave soldier on the field of battle - He is intelligent - and always attentive to his duties - I recommend him ~~for~~ on personal considerations, but wholly, from a justifying sense of his ability to fill a 1st or 2^d Lieutenant's place - which I hope you may be able to give him

Very Respectfully Yours
