

Camp near Falmouth Va  
20th Me Regiment  
Feby 28, 1863.

To His Excellency,  
Gov. Auburn of Maine  
Sir

With pleasure that I recommend  
to your favorable consideration  
Sergeant Wm. Bickford.  
Mr. B. is a young man of good  
habits, and has labored with  
untiring zeal in his capacity  
as first sergeant, and is in my  
opinion well worthy of holding  
a commission and I would  
earnestly request that he may  
receive a commission in  
this company.

Very Respectfully,  
Your Obedt Servt  
P M Fogler  
1st Lt. Com Co. D.
