Portland, Me. 19th Nov 1864

Hon Samuel Cony
Governor of Maine
(Augusta).

Sir.

I enclose herewith as requested a
petition signed by members of my Company.

I notice by the papers that it is too late
to do any good in my case, but still as
the men requested me to forward it I comply
with their wishes.

Trusting that the time may come when
promotions will be made in my Regt. from
other counties than Penobscot

I am Sir

Respectfully

Your Obedt. Servt.

We the undersigned - members of Co L 1st Me. Art'y

request that Lieut George J Brewer be appointed Captain
of our Company He has led us in action and
was severely wounded at Peterburgh June 16, 1864 We
feel that it would be doing us great injustice to ^{appoint}

ranking officer in the Company and a man who
we know we can trust to lead us into action
