Dear Sir

Please to excuse me for importuning you again in the same strain that I made bold to, while in Augusta last fall. If you recollect my father (F.A.D. Singh) was with me. Hearing that the State was in want of Officers for a Negro Regt., I thought that I would bring myself (once more) into your notice, in hopes that you might show me a ^{favor} for which I will ever be gratefull. Thus with considerations of esteem and respect, and with hearty Good wishes for your health and prosperity &c. &c. I subscribe myself yours Truly &c.
