Gen J L Hodsdon

Dear Sir

Enclosed is
a memorandum kept by Mr Tebbetts
of persons found by him who
have volunteered and been
discharged and there are none
in this town home on July 6th
Do you wish him to Report
to your Department such as
have a discharge? He has
been to North Berwick and
arrested Wm J Roberts a
Disenter from Co I 1st Maine
Cavalry and lodged him in
Alfred Jail as there was
nothing else, could be done,
with him for the present. I
suppose, of course, it was intended
for him to arrest all the

deserted from Maine Regiments
found by him in this County
although I did not so instruct
him as it did not occur to me
at the time I gave him his
credentials. If so what disposition
shall he make of them count
them to jail or send to Portland
or Augusta?

Respectfully yours in
haste Geo D Frost
