Hon. Abner Coburn, Gov. of Maine

Dear Sir,

Although a stranger to you, I take the liberty to address you respecting a soldier in the army.

Andrew J. York in Co. H 20th Maine Regt. would like the appointment of Second Lieut. He is an active, faithful & worthy young man giving entire satisfaction to his employers; and in the army he is represented by his comrades as being a good & brave soldier. He went in a company where ^{he} was an entire stranger and has been promoted by his Capt. (viz. Capt Merriam) which I think speaks well for him.

Very Respectfully Yours H.
