Dear Sir,

It is represented that Company B of the Maine 45th Regiment, Volunteers, is without a commissioned officer. Charles F. Moore of this town, a Member of said Company and bearer of this, is now about returning to his Regiment on the expiration of a short furlough of fifteen days, asks that he may be commissioned as Second Lieutenant of said Company. Mr. Moore enlisted one year ago last fall under the lamented Major Pitchen, has been in the service ever since, has never been in the Hospital or off from duty in the whole time.

Mr. Moore is a young man with whom we have been acquainted for a few past years, and we can unhesitatingly say that he is a man of undoubted moral character, true and loyal to the core, and his courage
has been tried on more than one battle field, and in our opinion will fill the position asked for, with honor to the Country and to himself.

Sir, if you can do anything in the way of procuring him a commission, you will be doing me think justice to a worthy young man, one who has fought for, and justly earned promotion, and likewise conferring a favor on your most obedient servants.

E. P. Richardson

P.S. If there are any other steps necessary to be taken, please to indicate what they are.
