

Dr. J. C. ...
Waterville Apr. 7. 1863.

A letter rec^d yesterday from Col. Dyer in reply to one addressed to you making inquiry as to any vacancy in the medical staff of the Maine Regt. informs me that soon appointments of Asst Surgeons are to be made within a few days. I write this in behalf of Dr Geo. G. Percival who was formerly a pupil in my office. He wishes to receive an appointment as Asst. Surgeon. He rec^d a few weeks since his medical degree at the New York med^l College & is at the present time pursuing his studies at the Bellevue Hospital in that City. He is probably competent to pass any examination to which he may be subjected prior to receiving an appointment. He is in vigorous health - his habits, so far as I know, are good. I know of no reason why he should not prove to be an efficient officer if he receives an appointment. He will come on at once on receiving any intimation that an appointment will result. Please to inform me, so that I can communicate with him, what the prospect may
