Dr. Sir

I have just received a letter from Lt. Col. Parrham stating that Dr. Mr. Sgt. George W. Brown, who was commissioned as Co. Master some two months, but not mustered, as the Regt. was below the minimum; can now be mustered as First Lieut of "B." Co. via Beecher Discharged, provided he could be commissioned as such.

Will you please cause to be forwarded immediately, to Lt. Col. Parrham, Commission as First Lieut. in "B." Co for Brown, so that he may be mustered this month & thus enable him to receive for the Co. Master's property & receive his pay as 1<sup>st</sup> Lieut.

His commission as 1<sup>st</sup> Lieut. & Co. Master I presume can be retained by him until the Regt. is filled up to the minimum, at which time
