To the Adjutant General of State of Maine.

Sir,

This is to represent that my husband John Smith enlisted in the First Maine Heavy Artillery Coy. at Augusta Me. on or about the first day of October 1864. That my said husband was enticed from the City of Boston and enlisted in said Company while in a state of intoxication. That I am in a state of destitution and have two children now depending on me for support; and am desirous of obtaining the State aid. I am advised by the Adjutant General of this State to write to you and have you send from your office the necessary proof of the fact of the enlistment of the said John Smith so as to enable me to obtain the said State aid. Please address to Anne Smith No 69 Lowell St, Boston, and oblige yours truly,

Mrs Anna Smith
