

Mr. Emerson
Bangor Sept 6/62
To Adj. Gen. Hodsdon
Dear Sir

Mr.
Dwight McKil who has enlisted
in the First Maine Cavalry will
want a furlough to come home
for a few days to arrange for
his family and I write to assure
you that he has a family
and that in my opinion you
can put entire confidence in
any thing he may promise to
you

Very Truly
J. F. Bradley

P.S. In my opinion no man has enlisted
from more patriotic motives than he
