Governor Washburn

I here ask a favor  
of you in behalfe of Orderly Sergeant  
Charles W. Leaw. He was in the line  
of promotion when taken a Prisoner  
but was soon Exchanged and when  
he returned to his Company he found  
General Hamblin Promoted General  
Lieut- of Company G. Now I ask of  
you to give him a Commission in  
some old or new Regiment. I think  
you will find him a Brave Soldier  
and a good Principled Fellow you  
can refer to Mr. Joshua Nye in

regard to the young man if this  
is not enough I think you will  
find him just as I have represented  
him to you will you please to condescend  
to answer this.

This is a request of his Father  
Asenath Low
