Willels Point

To the Grant General Hospital
July 19th 1865 -

Adjutant General
of the
State of Maine } Sir

Your favour of
7th inst came to hand, and I
notice what you say in regard
to writing the War Department
to have myself Agent & Brown disch-
arged, I shew the letter to the
Surgeon in Charge A H Phurston
the same day of receiving. He said he
had written the Adjutant Genl and
as soon as he could act Officially
he would notify me - Since which
I have not heard a word on the
Subject, and we are impatient
having served so much over our time
we are anxious to ~~quit~~ return
to our homes & families. Please
call the attention of the Dept to our
case again and by so doing you will very
much oblige Yours Respectfully Andrew Nickerson

Andrew Tucker
