Hon. J. Washburn

Dear sir, I am
desirous of going into the army,
and would like an appoint-
ment either in some of the
regiments now in the field,
or some ~~one~~ of those now
forming. I should prefer to
go into ~~one~~ now in the
field. If there is an opportunity
for me, will you be so kind as
to give me a chance, as I would
like very much to go. If any
more recommendations are
needed than those you already
have in your possession I
will furnish them.

Very Respectfully Yours
Horace Stevens.
