# BAXTER BOULEVARD'S I-295 ON-RAMP CLOSURES THIS MONDAY!

Repair work requires that the Baxter Blvd. on-ramp to I-295 North be closed after 7 p.m. on Monday, June 6th and remain closed until crews complete all of the nearby bridge projects sometime in the fall.

## • DETOUR

Turn left onto Bates St., which becomes Veranda St. and then joins Route 1 North. In Falmouth, turn left onto Bucknam Rd. to I-295 North. Or find the alternate route that works best for you.

## • LANE STRIPING MONDAY NIGHT

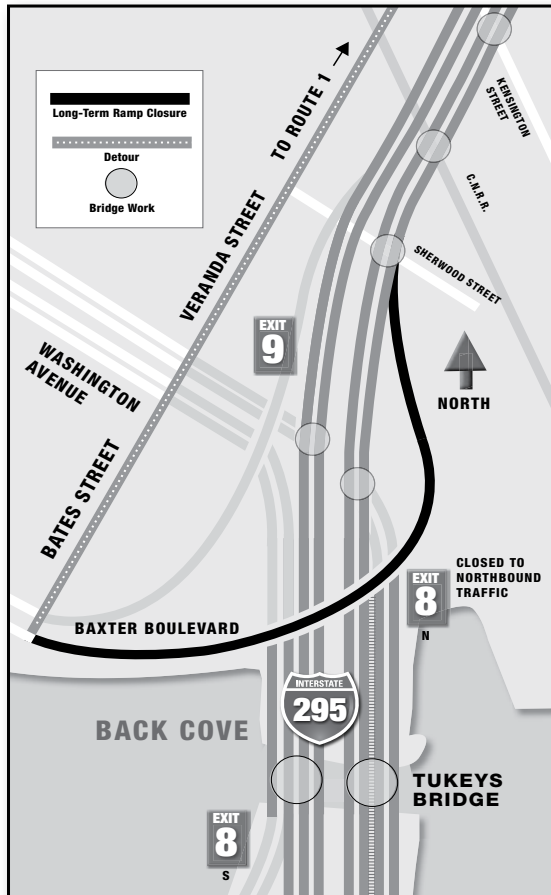

Crews will begin striping on I-295 North on the four overpasses north of Tukeys Bridge (Washington Ave., Sherwood St., Canadian National R.R., and Kensington St.).

## • BARRIER PLACEMENT TUESDAY NIGHT

Crews will place barriers that will result in reduced widths on the four overpasses north of Tukeys Bridge. Two lanes will be open to traffic, but motorists should use added caution due to the narrower lanes.

## • OTHER I-295 IMPROVEMENTS ONGOING

Be prepared for lane and ramp closures for other bridge repair and repaving work on I-295 northbound and southbound.

**MaineDOT apologizes for the inconvenience, but there's better road ahead.**
