Dear Sir -

Can you inform
me if there is any Bounty money (to your
knowledge) due Charles Brown, who enlisted
in the 16th Maine Regt. vol. Inf. enlisted at
Portland in July 1863 - and died in Washington
May 1864. His wife Delia Brown says
there is 100 dollars due her for him. She
is very sick & very poor - has one child
a son - about 2 1/2 years old - and are quite
dependent & staying with her mother in my
vicinity - at her request, I reluctantly trouble
you for any information within your power to give.
respecting the case, in hopes of hearing something
favorable to her.

Very respectfully & truly yours -

Chas. A. Pomeroy.
