

Camp of 2nd Maine Regt.
Near Falmouth Va

April 22nd, 1863.

To J. L. Hodadon A. G. of Maine:

Gen, I

respectfully refer to you for information concerning Sergt. Kennedy Steward, and Privates Samuel Morrison, James Anderson, and Thomas Townsend of my Co. who claim to be enlisted for two years only. They were enlisted at Boulton June 3rd by one Capt. Freese, and joined Co. I of this Regt. as recruits, and were transferred to my Co. Dec. 23rd, 1861. Their Description lists were lost in Co. I. consequently they have nothing to show. Their names were entered in the Muster Rolls as enlisted for 3 years as it was supposed that no men were enlisted at that date for a shorter period. They claim to have been enlisted for the 7th Maine but were not accepted as they were enlisted for 3 years; then they volunteered to come

into this Regt. If you can furnish a true
statement of their case it will enable me to
do the right thing by them, for they are excellent
soldiers and only ask that justice may be
done them.

Yours Respectfully
